MOTION FOR LEAVE TO FILE UNDER SEAL

Defendant Eveready Battery Company, Inc. (“Eveready”) respectfully requests leave of this Court to file its Answer, Additional Defenses, and Counterclaims under seal. In support of this motion, Eveready states as follows:

1. Plaintiff CB Distributors, Inc. (“CB”) filed its Complaint (d/e 1) under seal because CB alleges that it contains confidential information.
2. Because Eveready’s Answer, Additional Defenses, and Counterclaims responds to allegations in CB’s Complaint, in an abundance of caution, Eveready requests that its Answer, Additional Defenses, and Counterclaims be filed under seal.

WHEREFORE, Eveready respectfully requests that the Court grant Eveready leave to file its Answer, Additional Defenses, and Counterclaims under seal, and for such other and further relief as this Court deems just and proper under the circumstances.

Respectfully submitted,

THOMPSON COBURN LLP
